# 2024

**DESTINATION \* WASHINGTON**

**DATE \* NOVEMBER 2 - 8**

TARGET GROUP • CEOs, ENTREPRENEURS, DIRECTORS AND OTHER US INTERESTED PARTIES  
INCLUDING • TRAVEL AND ACCOMMODATION IN LUXURY HOTELS, MEALS (LUNCH AND DINNER) IMPRESSIVE PROGRAMMING

Elections will be held in the US again this year, and we have been tasked with organizing this trip. We are pleased to announce that Professor Jan Peter Balkenende, the former Prime Minister of the Netherlands, has graciously agreed to lead our delegation. He will represent us at all receptions and meetings.

There are about 14 to 16 'slots' in the program, in addition to the day 'on the road' on Election Day. This trip offers a high educational value and presents a fantastic opportunity for you and your companies to join us and stay at the forefront of the election results.

Now in its fifth iteration, this journey is characterized by a broad spectrum of meetings and visits. We will meet with delegates from the Heritage Foundation (Republican) and the Brookings Institution, a Democratic think tank. We will also have discussions with a governor and a senator to gain their perspectives on current developments. Opinion makers will highlight the latest trends, and we will

engage with journalists for an objective (or subjective?) view of the presidential race.

Election night is particularly special: we have secured entrance tickets for both Democratic and Republican watch parties, and we can also follow the outcome at Politico, an independent news provider. Additionally, we will have receptions with the top officials from the International Monetary Fund (IMF) and the World Bank, as well as a unique meeting and tour at Bell Helicopters. One of the highlights of the trip is an informal welcome reception hosted by the Netherlands' Embassy.

**UNIQUE AND INSPIRING JOURNEY • TITAN BATTLE BETWEEN BIDEN AND TRUMP • MANY VISITS AND DISCUSSIONS • BELL HELICOPTERS • NOBEL PRIZE WINNER PROF. IMBENS • POLLING STATIONS • WHITE HOUSE • ELECTION DAY THRILL**
